Subject: Mill & Fill Beginning at intersection of RAMP OFF to WILSON ST and WILSON ST and extending northerly on Route 1A for 3.23 miles to 0.43 miles east of intersection of CHARLES DR and MAIN RD
WIN: 020379.00

Dear Ms. Ryan:

The Maine Department of Transportation is planning to design and advertise the subject project in the winter-spring of 2013-2014, with construction scheduled for spring/summer, 2014.

The project is further described as follows: Mill & Fill Beginning at intersection of RAMP OFF to WILSON ST and WILSON ST and extending northerly on Route 1A for 3.23 miles to 0.43 miles east of intersection of CHARLES DR and MAIN RD

After the new pavement is place, no permit to open this segment of highway will be granted for a period of three (3) years as provided in Title 23, M.R.S.A. §3352. The purpose of this letter is to make the necessary notifications of the project to abutters, municipal officials and occupants of the highway under the provisions of 23 M.R.S.A. §3351. **We hereby request that you provide a copy of this notice to all municipal officials, employees, and boards with responsibilities for utility and/or land-use planning/permitting, and that you post this letter on any municipal public bulletin boards, media outlets and/or municipal websites. <http://brewerme.org/>**

If you have, plan to have or have knowledge of underground utility facilities within the limits of this project, please inform MaineDOT Region Office of their location as soon as possible in order that they may be properly considered during the design and construction of the proposed project. Properly located facilities are a consideration for protection against damage from construction operations.

Should you have any questions, concerns or other areas of interest, we would appreciate your comments and input. You may contact me, Shawn Davis, Project Manager at 941-4754.

Sincerely,

Shawn Davis, P.E.
